Counsel to the Debtors and Debtors in Possession

**UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF NEW YORK**

In re:)	
)	Chapter 11
)	
CELSIUS NETWORK LLC, <i>et al.</i> , ¹)	Case No. 22-10964 (MG)
)	
Debtors.)	(Jointly Administered)
)	

**NOTICE OF REVISED SCHEDULE OF
CUSTODY USERS ENTITLED TO WITHDRAW CERTAIN ASSETS**

PLEASE TAKE NOTICE that attached hereto as **Exhibit A** is a schedule of certain users entitled to withdraw Distributable Custody Assets (as defined herein) off of the Debtors' platform in accordance with the relief set forth in the Withdrawal Order and the Custody Settlement Order (both as defined herein) (such schedule, the "Revised Distribution Schedule"). Additional details regarding these permitted withdrawals are set forth below in this *Notice of Revised Schedule of Custody Users Entitled to Withdraw Certain Assets* (this "Revised Withdrawal Notice").

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Celsius Network LLC (2148); Celsius KeyFi LLC (4414); Celsius Lending LLC (8417); Celsius Mining LLC (1387); Celsius Network Inc. (1219); Celsius Network Limited (8554); Celsius Networks Lending LLC (3390); Celsius US Holding LLC (7956); GK8 Ltd. (1209); GK8 UK Limited (0893); and GK8 USA LLC (9450). The location of Debtor Celsius Network LLC's principal place of business and the Debtors' service address in these chapter 11 cases is 50 Harrison Street, Suite 209F, Hoboken, New Jersey 07030.

PLEASE TAKE FURTHER NOTICE that on December 20, 2022, the Court entered the *Order (I) Authorizing the Debtors to Reopen Withdrawals For Certain Customers with Respect to Certain Assets Held in the Custody Program and Withhold Accounts and (II) Granting Related Relief* [Docket No. 1767] (the “Withdrawal Order”)² pursuant to which the Debtors are authorized to permit certain customers to withdraw certain digital assets from the Custody Program and/or associated with Withhold Account obligations that were (A) (1) only ever in the Custody Program (the “Pure Custody Assets”) or (2) transferred in the 90 days before the Petition Date from the Earn Program or the Borrow Program to the Custody Program and, at the time of such transfer(s), the aggregate value of such transfer(s) was less than \$7,575 (valued as of the time of each such transfer) (the “Transferred Custody Assets” together with the Pure Custody Assets and the Remaining Distributable Custody Assets (as defined herein), the “Distributable Custody Assets”), as set forth on the Revised Distribution Schedule or (B) transferred by users to Celsius’ platform but were not supported on the platform and remain in the Debtors’ possession (the “Ineligible Withhold Assets” and, together with the Distributable Custody Assets, the “Distributable Assets”), all in accordance with the terms of the Withdrawal Order.

PLEASE TAKE FURTHER NOTICE that on January 31, 2023, the Debtors filed the *Notice of Schedule of Custody Users Entitled to Withdraw Certain Assets* [Docket No. 1958] (the “First Withdrawal Notice”) setting forth a schedule of certain users entitled to withdraw 94% of their Distributable Custody Assets off of the Debtors’ platform in accordance with the relief set forth in the Withdrawal Order (the “First Distribution Schedule”).

² Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Withdrawal Order.

PLEASE TAKE FURTHER NOTICE that on March 21, 2023, the Court entered the *Order (I) Approving (A) the Settlement by and Among the Debtors, the Committee, and the Custody Ad Hoc Group and (B) the Election Form and (II) Granting Related Relief* [Docket No. 2291] (the “Custody Settlement Order”) pursuant to which the Debtors are authorized to distribute the remaining 6% of each Eligible User’s withdrawable Custody assets (the “Remaining Distributable Custody Assets”)³ for a total of 100% of each Eligible User’s Distributable Custody Assets.

PLEASE TAKE FURTHER NOTICE that the Revised Distribution Schedule specifies (i) each affected user entitled to withdraw Distributable Custody Assets pursuant to the Withdrawal Order (such user an “Eligible User” and all users together, the “Eligible Users”) and Custody Settlement Order, (ii) each Eligible User’s Distributable Custody Assets by category, and (iii) the amount of the Distributable Custody Assets to be released with respect to customers with digital assets in the Custody Program.⁴ For the avoidance of doubt, the Revised Distribution Schedule lists 100% of each Eligible User’s Distributable Custody Assets regardless of whether or not an Eligible User has already withdrawn Distributable Custody Assets pursuant to the Withdrawal Order. As such, each Eligible User that has withdrawn Distributable Custody Assets should refer to their account on the Celsius platform to determine the Remaining Distributable Custody Assets.

³ In the Custody Settlement Order, withdrawable Custody assets are represented by the defined term “Withdrawable Custody Assets.” For the avoidance of doubt, in this Revised Withdrawal Notice, the term Distributable Custody Assets is used to describe withdrawable Custody assets. The defined term “Withdrawable Custody Assets” in the Custody Settlement Order and the defined term “Distributable Custody Assets” in this Revised Withdrawal Notice represent the same digital assets.

⁴ For the avoidance of doubt, eligibility to withdraw Withdrawable Custody Assets, or other assets, pursuant to the Withdrawal Order and this Revised Withdrawal Notice does not override previous account suspension in any way. Eligible Users who are otherwise suspended from their Celsius account for any reason will remain suspended and will continue to be restricted from accessing their Celsius account.

PLEASE TAKE FURTHER NOTICE that, as permitted by paragraph 4 of the Withdrawal Order, the amounts set forth on the Revised Distribution Schedule are net of any gas fees or transaction costs (or a fee approximating such costs) (*i.e.*, the applicable gas fees and transactions costs are subtracted from the eligible amount) necessary to effectuate the withdrawal or transfer of digital assets to customers (the “Withdrawal Fees”). The amounts set forth on the Revised Distribution Schedule are based on the assumption that each Eligible User will make one withdrawal. Withdrawal Fees will be charged on a “per withdrawal” basis based on the Withdrawal Fees listed below. Based on market fluctuations, the Debtors anticipate that Withdrawal Fees will be adjusted every thirty days, as applicable, which means the amounts set forth on the Revised Distribution Schedule may change. As provided in paragraph 4 of the Withdrawal Order, no digital assets shall be permitted to be withdrawn unless the current account balance of the Eligible User is sufficient to satisfy any Withdrawal Fees. For the avoidance of doubt, Eligible Users that have withdrawn Distributable Custody Assets will have to pay Withdrawal Fees for any additional withdrawals of Remaining Distributable Custody Assets. The initial Withdrawal Fees associated with each digital asset are set forth below:⁵

⁵ For the avoidance of doubt, in the event that any gas fee exceeds the ranges set forth herein, the Debtors shall be permitted to charge the withdrawing party the entire amount of the gas fee.

Component	
Fixed Administrative Costs (KYC), Vendor Fee	\$1.00
Variable Network Fee (Updated Monthly)

ERC-20	\$5.20
Alt Coins	\$1.20

PLEASE TAKE FURTHER NOTICE that certain Eligible Users otherwise eligible to withdraw Distributable Custody Assets pursuant to the Withdrawal Order and the Custody Settlement may have insufficient funds to effectuate a withdrawal after taking into account any Distributable Custody Assets that have already been withdrawn and/or the Withdrawal Fees listed above. If 100% of an Eligible User’s Distributable Custody Assets is not sufficient to effectuate a withdrawal because of the Withdrawal Fees, such Eligible Users are bolded and italicized in the Revised Distribution Schedule, the amounts insufficient to be withdrawn are shown as “-” on the Revised Distribution Schedule, and such Eligible Users will not be receiving any Distributable Custody Assets at this time.

PLEASE TAKE FURTHER NOTICE that the Eligible Users with Distributable Custody Assets insufficient to effectuate a withdrawal pursuant to the First Distribution Schedule of the First Withdrawal Notice are encouraged to review the Revised Distribution Schedule to determine whether the addition of the Remaining Distributable Custody Assets has increased their account

balance by a sufficient amount to effectuate a withdrawal. If so, such Eligible Users may now complete their Required Account Updates (as defined below) necessary to effectuate a withdrawal.

PLEASE TAKE FURTHER NOTICE that prior to any withdrawals being processed, Eligible Users will be asked to update their Celsius account with certain required information to process withdrawals including specific customer information related to Anti-Money Laundering (AML) and Know Your Customer (KYC) information, and information regarding the destination address of the withdrawal (the “Required Account Updates”). Eligible Users should have received email and Celsius app communications from the Debtors informing such users of their eligibility to withdraw and the Required Account Updates they must make before a withdrawal can be processed. As soon as reasonably practicable, Eligible Users on the Revised Distribution Schedule will receive an additional email and Celsius app communications informing such users of the Required Account Updates. *Unless and until an Eligible User updates his or her account with the Required Account Updates, such Eligible User will be unable to withdraw his or her Distributable Custody Assets from the Debtors’ platform.*

PLEASE TAKE FURTHER NOTICE that any Eligible User that has transferred its Distributable Custody Assets to a third party pursuant to Federal Rule of Bankruptcy Procedure 3001 as evidenced by filing a *Transfer of Claim Other than for Security* (the “Claim Transfer”) on the bankruptcy docket is solely responsible for transferring any Distributable Custody Assets in accordance with the agreement set forth in the Claim Transfer; *provided* that the Debtors have attempted to identify any Eligible User that has executed a Claim Transfer in the

Revised Distribution Schedule by including a footnote after the Eligible User's name that includes relevant information to the Claim Transfer.⁶

PLEASE TAKE FURTHER NOTICE that the Debtors anticipate processing withdrawals as soon as reasonably practicable in accordance with this Revised Withdrawal Notice, the Withdrawal Order, and the Custody Settlement Order; *provided, however*, that given that the Debtors are receiving a high number of withdrawal requests and are committed to ensuring accurate and safe withdrawals off of their platform, any such withdrawals may not be processed immediately upon request.

PLEASE TAKE FURTHER NOTICE that if Eligible Users have questions with respect any messages received related to this Revised Withdrawal Notice, the Custody Settlement Order, and/or the Withdrawal Order, please confirm such messages match the information provided in the Celsius app and/or email CelsiusCreditorQuestions@kirkland.com or app@celsius.network.

[Remainder of page intentionally left blank]

⁶ Footnotes in the Revised Distribution Schedule are current as of April 14, 2023. Claim transfers filed after that date may not be represented.
